ATTEND A MEETING AND GET A CHANCE TO Win

VNEA sanction fee paid for the 2025-2026 season & a chance to win team shirts (up to 5) from Sweet Drizzle Designs

At meetings can prepay sanction fee to receive \$5 discount (this discount will also only be offered during week #1 of fall/winter season.)

VNEA Sanction fee: \$25 if paid on or before wk #1 of fall/winter season sanction/exhibition night. If paid sanction in summer, do not need to pay again.

Any player with CSR 1700 or higher must be submitted on original roster. (Exception Wed "Any CSR" & Thurs FTCL Pinnacle leagues)

Cannot add player with CSR 1700 or higher to rosters after 8/21/25

Leagues approx. 26 weeks. In all leagues # of divisions based on # of teams. **Handicap: Based on CSR values**

If a player does not have an established CSR but has an alternate ranking, consult with the league office for a conversion to ensure it is appropriate for the league.

Players of known ability without an established CSR or alternate rating may be assigned a CSR range. If a player's CSR rises above the league limit during the season, they will not be expelled from the league and can complete the season with their team. Registering for a league and having a team within legal CSR values does not guarantee that your team won't be moved up or down a division if multiple divisions are offered on that night.

Players close to CSR limits may be allowed to play based on their previous history.

Pool Players Meetings: (come get a chance to win sanction paid or team shirts)

At least 1 player from every team attend a meeting, important changes for this season!
